2nd May 2018 – Term 2, Week 1

Kia ora

Welcome to term 2! We have hit the ground running almost backwards but with a high level of excitement here at school due to our camp coming up fast next week!! Children are very excited and staff very busy getting everything organised and ready.

We are hard at work painting our t-shirts for camp. Students were given a black outline of the back and front designs and they have been busy individualizing them through painting their own choice of colours. We have a great range of very colourful t-shirts all around the central design.... They will look awesome when wearing them on camp! And it's an amazing memento of the camp too! great

You may have noticed Mrs Hammond's growing belly. Yes, she is pregnant with her second child! Sadly, this means she will be finishing at the end of this term, but luckily, she will be back at the beginning of Term 1, 2019! We congratulate her, and her family on their impending, exciting arrival, and wish them all the best! Although we will miss Mrs Hammond we are very lucky to have a great replacement to take her class. Further information will be supplied in future newsletters.

During the holidays, we had some of our students represent us at the ANZAC Day Civil Ceremony and lay a wreath. The children did a great job and were great role models for our school. Thank you to Madison-Mae, Samantha, Jonathan, Yannyke and Mika and their parents for giving up some of their holiday time to be at the ceremony.

On Monday 14th May our Year 7 & 8 students will be attending a National Young Leaders Day in Hamilton. They will hear from several celebrity and inspirational people and participate in some activities. It is a great opportunity for our oldest students to fill their kete with experiences and learning that promote good role modelling.

On May 18th we will again celebrate Pink Shirt day by wearing pink shirts and promoting anti-bullying.

Our Term Planner was sent out on Monday, so if you haven't yet received one, ask your child, or contact the school for another copy. This term, as usual, is a very busy term with lots of interesting, and exciting learning, but only camp as an EOTC event! Please keep it on hand so you are aware of upcoming events. We will continue to remind you as well through our Monday mailing.

Newsletters will be in odd weeks this term due to camp next week!

Thank you for your support.

Regards Joanne, Angela, Sarah-Anne and Liz.

Hi Everyone, hope you all enjoyed the school holidays and didn't get washed away over the weekend. Couple of things from me. The school role tends to fluctuate around this time of year with people coming and going with the change of farms etc. Please make any new families aware of our School. We have people wanting to live in our wonderful district so if anyone knows or hears of houses available to rent, please let the school office know. The school pool is closed for the season anyone with keys if you could please return them to the office. The pool is a great asset to the School for learning to swim and recreation but, is not funded by the Ministry, so by buying a key each year your helping our kids greatly. Karen is leaving us soon so a position needs filling on the BoT, if you are interested please let me know. Hope everyone has a great time at School camp.

Regards
Duncan - BOT CHAIRPERSON
